Dear Ashwini & Asmita,
Based on our discussion yesterday following are the points:
3BHK - ok

2bhk - 60/65MM gap to be avoided as it will be perceived as work to be completed scenario.
We suggest the following detail

Please review the same.

Also sharing with you a few images of the **precast RC Jalis** as discussed.
Regards
Gauri.

Dear Navin,
We will be having a meeting with KAPL next week to discuss issues on facade.
Regards
Gauri.
