Dear Kiran,

We will also have to do a mock up with some basic framework & flex as discussed yesterday in our meeting.

Do let us know how we can take up that.

Regards

Gauri

Dear Kiran,

As discussed with you resending the CDR file & the ppt for your working.

Kindly share with us the 3d of the pedestal along with the dimensions.

Rest details as discussed will be as follows:

1. The finish will be in 1.5mm thk GI sheet.
2. The area around the baseplate is preferred to be in hardscape.
3. The internal frame work will be in M.S angles & the curves will be smooth.
4. The external edges will be seamless.
5. The PU paint will be in 3 coats by spray paint.
6. The visible connecters in between the petals will have a nut bolted joint but will be capped.

As discussed kindly share the SOP which can be then shared with our site team for their understanding & planning.

Regards

Gauri.
