Dear Sir,

Please find attached the lighting design report for the pole integrated with the bench along with light fixture. We have proposed 2 types of light fixtures with 10-12W. request you to check and provide feedback.

Regards,

Chetan Dani

Subject: Light Fixture for Benches - Retail Paza sector4

Hi Chetan,

We are planning to have light pole installation in the benches at sector4 retail plaza, please refer the attached cad file for specific height and dia. These lights need to perform the task of lighting up the pavement where all the benches are located .They are essentially down lighters (3000k) mounted on a round pipe.

Please provide us the appropriate lighting fixture for this area.
