PRONTO

Electric Instant Water Heater

Winner of National Energy Conservation Award 2010

PRESSURE Max 6.5 Rated Pressure 6.5 Bar

India's largest manufacturer and seller of water heaters

Pronto instant & storage water heater comes to you from Racold, a fully owned subsidiary of Ariston Thermo Group - the world's No1 in water heating. The group has a global presence in over 150 countries with 18 manufacturing units. Racold, the leader in technology innovation, is India's largest manufacturer and seller of water heaters with a national presence of its 3000+ outlets.

High pressure withstanding capacity (up to 6.5 Bar) makes it also suitable for high rise buildings and pressure pump applications.

Anti-syphon System:
The Anti-syphoning System prevents the back flow of water from the container, thus avoiding dry heating

Saves Energy:
High density PUF, retains the temperature of water for a longer period of time, eventually savings 40%* energy.

Rust Proof Body:
Non-corrosive outer body prevents rusting ensuring longer life of the water heater

Thermostat & Cutout:
Stem type thermostat and cutout ensures automatic temperature control & extra safety.

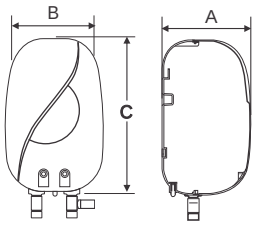

Outsmart three level safety against high temperature & pressure, provided with high tech thermostat, cutout & pressure relief valve

1. Inner Container
2. Heater Plate
3. Heating Element
4. Thermostat
5. Cut-out

2 Years on Product
2 Years on Heating Elements
5 Years on Inner Container
