Hello Everyone!

We as members of Vasudha A & B wings, Dosti Vihar, are organizing our first ever 'Sports Day Fest' on the occasion of our Republic Day on this 26th January 2016.

Almost a year ago we had started taking our flat possessions & today we are almost – families residing together.

We would like to put forth a Sponsorship Proposal for this sports event of ours which would give you advertisement benefits.

The proposal is as follows:

1. You will be able to advertise/promote your business or product in form of posters/banners in our premises (space adjoining Vasudha A & B wings) as decided by the committee.
2. Your name (business/product) will be announced during the course of our event.
3. You can also put up a stall for distributing your business cards, sample products or any other material which you would like to display for your business promotion in agreement to the committee.
4. You will also be given an opportunity to promote your own business/product briefly for about 5 minutes once during the course of the event.
5. For the sponsorship amount please have a word with our members in person. Details are given below.

In finishing, we would like to extend our sincere thanks for taking time to read our sponsorship proposal.

We believe that our sponsorship proposal will provide an exciting marketing opportunity for your business.

Our members are looking forward for your humble responses positively.

THANKS

DVF SPORTS FEST COMMITTEE.
