Alcanes Outdoor Umbrella Collection 2021

Our Journey

ALCANES was first drawn towards the idea to redefine outdoor living spaces to suit all weather conditions - come hail or storm, rain or sunshine – soon, one thing led to another, and as all great ideas do, things Alcanes was first drawn towards the idea to redefine outdoor living spaces to suit all weather conditions - come hail or storm, rain or sunshine – soon, one thing led to another, and as all great ideas do, things transformed into reality: to provide the best in outdoor furniture and furnishing solutions. Thus, ALCANES came into being.
Be it a cityscape or a cool and hilly landscape; sun & sand on the beach or a busy high traffic setting, Alcanes caters to all backdrops with veteran proficiency. A one-stop shop to get inspired, explore, discover outdoor living & dining spaces and to find the perfect design showcasing elegant and timeless appeal, exquisite style & finesse, and, intricate detailing, especially when it comes to carved wooden pieces.

Our furniture range is wide and varied including rattan, wicker, cane, rope, strap, wood, etc. Be it for a garden/gazebo, patio, hotel or a café, the collection extends to accommodate a complete look replete with exquisite garden umbrellas, swings, loungers and daybeds. You need to look no further.
Our production unit is equipped with state-of-the art technology. Having all facilities,under one roof, help in the smooth and consistent flow and display our fabrication expertise in weathering well to natural surroundings while sustaining to the wear and tear of high traffic usage and changing seasons. We take immense pride in the fact that we are the first choice for several design enthusiasts, home improvement professionals, house proud owners and commercial setups — across the country. Whether you are starting or adding or remodelling your space or just looking for that perfect table, we are here to help, customize and deliver.
